

## STATEMENT OF PURPOSE

RS29025C1 / H0477

The Idaho Military Division seeks to amend and update Idaho Code Section 46, Chapter 2, Officers and Enlisted Men, in order to correctly reflect diversity within the Idaho Military Division. Currently the language used in Title 46 does not reflect the gender diversity within the Idaho Military Division. The proposed change would amend the word “men” throughout Chapter 2.

## FISCAL NOTE

This legislation will have no impact on the state’s General fund or any dedicated fund or federal fund because the proposed change is just an adjustment of the language used in Chapter 2 of Section 46. It does not add or remove any requirement that would necessitate expenditures from the Idaho general fund.
